## BLS International Wins 'India's Best Visa Outsourcing Services Company' Award

NEW DELHI, March 19, 2018 /PRNewswire/ --

BLS International Services Limited, the world's largest specialist provider for outsourcing of visa, passport, attestation, consular and citizen services globally since 2005, was chosen as 'India's Best Visa Outsourcing Services Company' at India's Best Company of the Year Awards 2017, as per the Companies Research Report 2017 by Media Research Group (MRG).

The company was awarded on Saturday 10 March at The Leela Hotel, Mumbai in the presence of over 200 people, including leaders from different businesses and service categories.

Mr. Shikhar Aggarwal, Joint Managing Director, BLS International quoted on the win, "We are very humbled to receive this award. BLS International is a proud Indian organization providing services at par with major international players in the visa outsourcing category. The award is a testament to our dedication and commitment to deliver quality services par excellence. Such recognitions motivate us to continue building robust expert resources and offer seamless, faster and convenient services at each level of visa application."

BLS International is amongst the world's largest specialist service provider for outsourcing of not just visas but also passport, consular, attestation and citizen services to the governments and diplomatic missions. With footprints across 62 countries, including India, European Union countries like Spain, Hungary and other countries like Russia, China, Africa, Algeria, Indonesia, Singapore, Iran, Iraq and UAE to name a few, BLS is currently serving 36 client governments world over with its 2325 offices. The company recently posted revenue of Rs. 584 crores for the period ended December 31, 2017.

India's Best Company of the Year 2017, organised by IBC Infomedia, a division of International Brand Consulting Corporation, USA is a unique platform for recognition of the success and ingenuity of the fastest growing companies across India and the unique brains behind them. Companies are awarded after being selected on a comprehensive research conducted by Media Research Group (MRG).
